HAUS & BIER GARDEN
GERMAN RESTAURANT & BIER GARDEN & DELI

About Helga's German Restaurant

Step into the romantic 'Old World' of the Rhineland river valley in Germany. Experience the enchantment of quaint small towns, vineyards, and farmlands as far as the eye can see, while majestic medieval castles stand grandly in the distance. Absorb the delicious aromas of hearty, savoury food being lovingly prepared in family kitchens wafting through open windows.

Welcome to Helga's German Restaurant and Deli. Experience authentic German home-style food and drinks, served with a side of "Old World" charm.

Helga's was created in 1989 as a mother-daughter venture with a small, four-table restaurant. After spending their childhood in Germany, Herbert and family have continued the tradition of their mother, Berta. Today, Helga's has expanded but has not departed from its humble beginnings and has continued gathering a large loyal following of wonderful customers. Herbert, and family maintain a warm and friendly environment where you can sit down to an authentic and delicious home-style German meal with family and friends.

In the true spirit of a family-owned restaurant, Herbert is directly involved in ensuring the satisfaction of each and every one of their customers. Please do not hesitate to ask for Herbert or approach him when you see him in the restaurant. He is happy to offer menu or deli suggestions, or even take a moment to just stop by and chat with you in German or English. Welcome and we look forward to seeing you again soon!
